**Subject:** Voting registration in PA and in IN

Hi Philadelphia and Chicago!

You may know, but we learned recently that PA's governor signed an exec order to expand voter registration to certain state agencies, including CareerLink Offices ([Gov. Wolf signs executive order to expand voter registration access \(readingeagle.com\)](#)). Has PA asked any questions or are they feeling good about implementing this? You might have seen in an e-blast and in WorkorceGPS we re-upped voting registration info and shared IN's story – the State is willing to talk to others if that is helpful. (Specifically, David Douglass 765-431-4293 [dadouglass@dwd.in.gov](mailto:dadouglass@dwd.in.gov); and Sam Snideman 317-473-8278 [ssnideman1@dwd.in.gov](mailto:ssnideman1@dwd.in.gov))

If PA is feeling good, no action, we just wanted to help make a connection, or answer any questions, if that was helpful.

Happy New Fiscal Year!

Hi DASG,

NV is asking to be allowed to designate AJCs as voter registration agencies. Can you draft a response? It can be short, affirming that NV can do this, that they don't need our permission, and recapping what's in the voter registration TEG. (I wasn't sure which unit would have this as I know it was originally a cross-DASG effort – Charlotte?) This is due Wed 11/22, can you have a draft to me by Tue 11/21?

I know I asked you to respond to Gov Whitmer's letter recently, too, and that 11/21 is a big day in DASG with W-P rule. DASG is part of a lot of big important things in November!

Re: Designation of Voter Registration Agency

Greetings,

Pursuant to Section 7(a)(3)(B)(ii) of the National Voter Registration Act (NVRA) (52 U.S.C. § 20506(a)(3)(B)(ii)), and President Biden's March 7, 2021 Executive Order on Promoting Access to Voting (Executive Order 14019), the State of Nevada hereby seeks your agreement to designate the U.S. Department of Labor American Job Centers as a Voter Registration Agency in Nevada.

Your partnership in this designation will greatly benefit Nevada's voters by distributing voter registration applications, assisting with qualified voter registrations, and ensuring completed applications are transmitted to County Clerks/Registrars.

The right to vote is what makes our democracy, and your designation as a Voter Registration Agency would come with great honor and responsibility!

Please contact me at your earliest convenience so we can further discuss this matter, [NVElect@sos.nv.gov](mailto:NVElect@sos.nv.gov) or (775) 684-5705.

Respectfully,

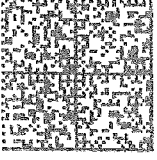

Francisco V. Aguilar

Hi Larry,

Thank you again for your time this afternoon. To briefly follow-up, please find the contact information for Sheila Ireland below, who has been identified as the best point of contact in PA for the state workforce system. If the state election official would like to learn broader information about AJCs, the guidance DOL released in March, or the workforce system, my colleague Kim Vitelli (CC'd) can help provide that context, or loop in the right ETA Lead, depending on the scope of their questions.

Hi All,

I hope everyone had a nice weekend!

To loop back on this, I'll pass along Sheila D. Ireland's contact information now, and she will be connected directly with the state election official. Kim and Jennifer, if they ask that a DOL representative join the call, I'll offer that someone from ETA can attend, if you are comfortable with that approach.

Thank you both again, and let me know if there is any follow-up that comes from this that would be helpful for me to support or be aware of!

Best,

Kate

**Subject:** RE: Voting Access EO State Connections

Thank you Kim, I very much agree that a direct connection might work best, given that this would be a state-level information sharing meeting.

If you are able to find out from the Philadelphia regional office who the best contact is in PA state workforce agency is that would be great, and I'll confirm with WHLCO how they'd like to facilitate the hand-off.

Thanks again!

Hi Kate,

This is really great. If PA state elections officials are interested in designating AJCs, they should definitely talk directly to the PA workforce agency. I think we could just introduce them. I don't know that we need to join the conversation, and it might actually go better if they talk direct, but we can certainly offer that someone from DOL join if it helps answer any questions.

I can find out from the Philadelphia regional office who the best contact is in PA state workforce agency. And then for who does the intro itself, I'm happy to do so and happy to have others do so.

**Subject:** Voting Access EO State Connections

Hi Kim and Conor,

I hope you both are doing well!

Kim, I wanted to circle back on the earlier idea of WHLCO connecting state election officials with state workforce officials directly, in an effort to break down any silos that might be inhibiting implementation of the guidance, or to discuss any state-specific questions the workforce system might have for their corresponding state election officials.

I spoke with Larry from WHLCO just yesterday, and he mentioned that PA reached out and would be interested in setting up such a conversation, and learning about the scope/network of AJCs in PA as they look at potential designations.

I'd love both of your thoughts on whether you'd recommend this meeting take place with the Region 2 Regional Administrator, and/or the PA state workforce leads, or if you have any other reactions on ETA front office and OSEC joining as well. I can then circle back with WHLCO to confirm the best hand-off.

Best,

Kate

Hi Jennifer and Steve,

You know we've issued guidance on how AJCs can be voting registration agencies. State elections officials in PA reached out to find out more about AJCs. I think we want to just introduce them directly to PA workforce officials because PA election laws and PA AJCs are both specific to PA, though we can offer to join to answer any questions if that is at all useful.

Anyway – who do you think the best SWA person in PA is to give to the PA elections officials?

Kim
