Hi all,

First, thanks so much for all you have done! Your effort, expertise, and passion has been so great over the last ~200 days! And because of that we are in a great place to submit our report to OMB. Second, While we have all been in the weeds recently, Alex and I are excited to bring in someone who can speak broadly about equity, policy, and the crucial work that happens at the intersection. [Demos President Taifa Butler](#) is a visionary leader with decades of experience that has focused specifically on equity. This will be a useful and invigorating conversation around this work that we all know is so important, particularly at this moment.

Feel free to share this invite with other DOL colleagues that may be interested, and can't wait to spend this hour with you all!
