Subject: Agency Strategic Plan Needed in Response to EX 14019

Good afternoon, Diana,

The Biden Administration published Executive Order 14019 ("order"), Promoting Access to Voting, on March 7, 2021. The order requires the head of the agency to evaluate ways in which the agency can, as appropriate and consistent with applicable law, promote voter registration and voter participation. Within 200 days of the order, agencies were required to "submit a strategic plan outlining the ways [...] that the agency can promote voter registration and participation".
