Type of Action : Executive Order (1)								
	3/7/2021	EO 14019, Promoting Access to Voting	*** President	Yes	Most of the order does not apply to FCA because section 11 defines agencies, "[e]xcept as otherwise defined in section 6 of this order," to exclude independent agencies. Section 6 of the order applies to FCA (see Provisions column).	Directs agencies to develop plans to promote voter registration and provide voting information to the public. Some provisions are more specifically directed toward specific agencies like GSA, DOD, and DOJ. Section 6 requires the OPM director to coordinate with agency heads (as defined in 5 USC 105 which includes independent agencies), "on strategies to expand the Federal Government's policy of granting employees time of to vote" in elections. It also requires agency heads to provide recommendations "on strategies to better support Federal employees who wish to volunteer to serve as non-partisan poll workers or non-partisan observers, particularly during early or extended voting periods."	86 FR 13623 (Mar. 7, 2021)
