Hello,

Please find the final draft (unless anyone has last minute edits) attached to this email. Next steps are to send the document to DTS I'm not sure if this should go directly to Mr. Rich Cardinale for submission or if there is another process to move this along. The White House deadline for this document is **Wednesday, September 23** through the MAX OMB online submission process.

I understand that Mr. Cardinale has been notified that this document has a tight timeline to receive internal signatures prior to submission. If someone wouldn't mind sending this along or sending instructions on how this is inserted into DTS, I would appreciate it.

Thank you,

Heidi Todacheene

Hello,

I finalized my last edits and cleaned up the document. There is one last major edit that I included in the BIE section under "III. Providing information offline...that directly engage the public." This suggestion incorporates the note

(b)(5)

That being said, I think the document is ready for final review/edits. Thank you for everyone's input and help on this plan. I really appreciate the edits that ya'll helped with and I hope it's in shape to send it through DTS tomorrow. Everyone on this email has been added to the SharePoint document to review and make any last edits.

Thank you,

Heidi Todacheene

Thank you Heidi for all the work on this. I have entered my edits but let me know if you need me to clarify or add anything. SOL had two deliverables under the interim plan (b)(5)

(b)(5) but really SOL can provide legal support on any of the questions presented in the plan so feel free to add that wherever you think necessary.

Thanks again, Natalie

Subject: 9/20 10AM New Deadline: DOI Interim Voting Rights Strategic Plan

Hello,

I wanted to connect with everyone regarding a new internal deadline that has been set to submit final edits to the DOI Interim Voting Rights Strategic Plan. Final edits are due on **Monday, September 20 by 10:00 AM EST**. I apologize for any inconvenience this presents, but this will provide enough time to send the final document through DTS to acquire the appropriate approval before submitting the final document to the White House.

I will be editing the Plan over the weekend to clean up the sections that are currently written in draft form. Although there's a Monday morning deadline, if you would submit any text that you would like in the final draft as soon as possible then that will give me a bit more time to work on edits. Since we're working on a tight deadline, feel free to copy and paste whatever information that you have available, and I will do the heavy lifting to finalize the text.

Everyone on this email should have the link to the SharePoint document so we can edit the sections in real time. If you don't have the link or want me to bump it in your inbox, just let me know and I'm happy to do so. Again, thank you to everyone for your help on this I really appreciate it!

Feel free to call or message me if you have any questions: (b)(6)

Thank you,
