Good afternoon,

Following up a voicemail I left today with Naree Ketudat, I'm working on a story for The Christian Science Monitor that seeks to clarify Vice President Harris' role in immigration matters at the White House.

Would your media team be able to provide responses to the following by the end of day tomorrow, July 24, please?

1. When Ms. Harris was tasked by President Biden in March 2021 to engage in diplomacy with Central American countries around the "root causes" of migration, was she given a specific title by DHS?
2. Has Ms. Harris ever been given the title of "border czar" by DHS?
3. Was there an end date to her service as requested by the president in Question 1?
4. Has Ms. Harris been involved in any development of border or immigration policy under the Biden administration? And if yes, which specific policies, and how so?

I appreciate your consideration on a short turnaround. By phone, I'm best reached at (b)(6)

Best,

DHS-001-02343-000031
